Into the Wood

Into the wood,
      Little Morningdove.
Into the wood,
      Let me know.
Into the wood,
      Little Morningdove.
Please let me know
      What you see.
      Yes or no to me

In amber fields
      Of pasture land
I walk with you,
      Hold your hand.
In amber fields
      Of pasture land
And rocky mountain passages
      And walking through the sand.

I long for you,
      Little Morningdove.
I long for you.
      You had to go.
I long for you,
      Little Morningdove.
Please let me know
      What you see.
      Will you come back to me?

      ___

Please come again,
      Little Morningdove.
Please come again,
      Let me know.
Please come again.
      Little Morningdove.
Please let me know
      What it will be
      Yes or no to me

You know, your love can set me free.
