

Pony-O Girl

Pony-O Girl has dark brown eyes
She' gonna have your heart before you realize
She' the sweetest little thing in the whole wide world
She' the Pony-O Girl

Pony-O Girl has a smile so wide
She' got a pout that's felt throughout the countryside
If she gets confused you'll see her top lip curl
'Cause she' the Pony-O Girl

Pony-O Girl dance with me tonight
We'll walk along the river in the moonlight
With a soul so happy and heart so pure
You' my Pony-O Girl

Pony-O Girl when she's old and gray
She' gonna stay with me `til my dyin' day
She' as fine an' as classy as a string o' pearls
She' the Pony-O Girl

Pony-O Girl has dark brown eyes
She' gonna have your heart before you realize
She' the sweetest darn thing in the whole wide world
She' the Pony-O Girl
