

here he comes

wears a red sweater  
snappin' finger cool an'  
late night neon blinkin'  
lights say jazzy cool  
like a slinky lady she  
a spike heel woman  
she a low-cut lady  
jus' diggin' blues an' blarin' horns  
a snappin' finger blues cool

cocktail chinkin' glasses laughin'  
in a flute tootin' in a  
smokey blue room  
o' table candles flicker  
slowin' way down he's a  
slow down  
fool around an' lady laughin'  
in the night blinkin' lights  
form a neon crown  
he's a slow down flutin' an' a  
snappin' finger blues cool
